

From my mothers womb  
I am a sinner,  
from the bottom of my heart,  
I confessed of my sins.  
So my lord, please, forgive  
for all my sins  
from your infinite mercy, hear my plea's  
out of the weakness of my mind,  
I have sinned against you, and come short  
of your glory, so god - save me.

In many ways I have sinned against you,  
so Lord, for give me through the blood of Jesus  
on the calvary, clean and wash me off all my sins,  
recieved me in your bossom heart,  
guide me in your ways and protect me,  
guide me in my way, and remove all temptations  
so let your miracles be shown on me,  
that I will glorify Thy holy name,  
take me out of my troubles, and use me  
so that I will proclaim Thy name and  
sinners will turn to Thee.

Now that I have known you and your commandments  
so, Lord, guide me in your ways and be with me,  
till the rest of my life.

Please be the jugde and jugde me through your  
infinite mercy through Jesus Christ, MY LORD . AMEN
